

Porch Posts

Measurements in inches unless otherwise noted. There may be a variance of up to 1/4" in all dimensions.

Synthetic Porch Posts

Dixie Synthetic Posts

Dixie's synthetic posts are manufactured from a low maintenance polyethylene and are finished white. Posts can be left unpainted or can be painted to match your project - adding the flexibility of custom color to any design. Choose from either a Colonial, Square, Chamfered or Lamp Post design. The pipe in the center of the Lamp Post is designed to allow a wire to be easily installed.

Dixie Synthetic Post Features:

- Five Styles Available
- Precise Detail
- Never Needs Painting (Can Be Painted)
- Virtually Maintenance Free
- UV Protected
- Load-Bearing with Structural Metal Insert (Excludes Lamp Posts)
- Fasteners Included
- Optional Fastening Kits Available (Skirt, Brackets and Screws)
- 25 Year Warranty

5" OR 6" COLONIAL POST 5" SQUARE POST 6" CHAMFERED POST
